

Valley People's

SERIES 800 ENCLOSURES

Models TR 804 - 4 Spaces (Powered)
TR 805 - 5 Spaces (Unpowered)
CM 801 - 1 Space (Unpowered)

New for the 80's...the Series 800 Enclosures. They hold KEPEX II®, GAIN BRAIN II, MAXI Q, and a host of unique audio processing equipment under continual development at Valley People. The TR 804 combines all of the advantages of a portable "goodie box" for the free-lance engineer/producer, with the benefits of multiple device rack mounting for the serious studio or production facility. Ample connections and powering assure its ability to accept future products.

Right. TR 804 (with power supply) shown as a table top portable unit. Protective rubber feet are included.

Above. TR 804 (with power supply) shown with its rack mounting kit installed for standard 19" rack spacing. Rack kit is supplied standard (long and short rack ears).

Below. TR 804 (with power supply) mounted with a TR 805 (without power supply). This combination allows for rack mounting 9 units in a 19" standard rack. The unpowered case is supplied from the powered case. The TR 805 comes with short rack ear.

TR 805

TR 804

Audio interface is quick and simple through back panel mounted barrier strips. A hinged back panel allows access to the various accessory connections at the back of each card.

TR 804 Specifications

AC Power	95-125VAC or 190-250VAC 50/60Hz (strappable)
DC Power	Bipolar 15V ($\pm 3\%$ Line) ($\pm 1\%$ Load)
Ripple	.7%
Current Capacity	.8 Ampere
Dimensions	5 1/4" H x 8 1/2" W x 11 1/2" D
Color	Brown
Fuse Size	1A @ 117VAC; .5A @ 220VAC
Operating Temp.	0° to 70°C
Weight	6 Lbs.

Note: Specifications are subject to change without notice.

Single Channel Enclosure

The CM 801 enclosure accepts any single channel of 800 Series processing equipment. It is welded steel construction and comes complete with 60-pin card edge connector, ready for wiring into your installation. Dimensions: 5 3/4" high (front surface), 1 1/8" wide, 10" deep (including rear connector). Color is brown.

Warranty

VALLEY PEOPLE, INC. warrants its products and their related enclosures and power supplies to be free from defects in workmanship and material under normal use and service. Said warranty is to extend for a period of twelve months after date of purchase. In the case that a VALLEY PEOPLE, INC. product or any of its related enclosures or power supplies is believed to be defective, same may be returned with transportation prepaid to VALLEY PEOPLE, INC., within twelve months after date of purchase, accompanied by proof of purchase. If the product is found by VALLEY PEOPLE, INC.'s inspection to be defective in workmanship or material, it will be repaired or replaced (at VALLEY PEOPLE, INC.'s election) free of charge and returned, transportation prepaid, to any point in the United States. If inspection by VALLEY PEOPLE, INC. of such products does not disclose any defect in workmanship or material, VALLEY PEOPLE, INC.'s regular charges will apply.

This warranty is expressed in lieu of any and all other warranties, whether expressed or implied, and the sole liability of VALLEY PEOPLE, INC. under this warranty is to either repair or replace (at VALLEY PEOPLE, INC.'s election) the product or its related enclosure or power supply. Any incidental damages are expressly excluded.

The foregoing warranty is VALLEY PEOPLE, INC.'s sole warranty, and all other warranties, expressed, implied, or statutory, are negated and excluded.
